At the Premier sale in Blessington we were once again amongst the prizes with 2nd in the open, 2nd in the SOI class and 4th in the gigot class.

This year's consignment of glimmers are probably the best we've offered for sale to date. A most pleasing aspect is the success stories from previous years with no fewer than 19 lambs at the Blessington Premier sale within the last 2 years having dams purchased at previous sales, including this year's Premier Sale Champion, the outstanding Kells T. Rex, whose dam was purchased at our 2017 sale.

Congratulations to Ballyboe Suffolks on achieving £4500, and £2000 for progeny from a gimmer purchased at our 2017 sale at the Three Nations Sale, where 8 Aston Martin daughters averaged £4750.

BARROWLANDS FLOCK FOREWORD

The Barrowlands Flock was established in 1994 with the purchase of ewes from long established Irish Flocks.

Subsequent purchases of females from dispersal and production sales saw the addition of top quality bloodlines from at home and the UK. This along with the use of top sires through AI and purchased rams has led to us achieving numerous successes at shows and sales.

In 2015 and 2016 we were in the lucky position to have exported sheep to the Netherlands and Belgium where they have bred very well. In 2017 we sent a consignment of 20 females and 8 ram lambs to Belgium and Portugal and we wish all our customers the best of luck with them. We have followed this on in 2018 & 2019 with further consignments to Belgium and 3 ram lambs to Germany. This year we have exported 3 gimmers to Antoine Paulus and 3 promising daughters of Kiltleskin Prince to Fabian Collard.

With the revival of the Flock Competition in 2017 we were delighted to have Reserve Champion Flock and Champion Flock of Ewe lambs. In 2018 we won the Howard Peel Cup for Best Stock Ram with Carragh Captivate.

We are offering in this sale a top quality consignment of Ewe Lambs with excellent bloodlines. Sire of our entries is 20,000gns Castleisle Kiltleskin Prince. We are very happy with how he has performed so far for us.

We would like to take this opportunity to thank everyone who supported our previous sales and hope you were pleased with your purchase.

Sheep can be viewed prior to sale
by contacting Jim Gahan on **087-6356808**.

Every effort will be made to assist purchasers with the transport of sheep.

All sheep are on the Heptavac-P System. All sheep dipped four weeks prior to sale.
