KELLS SUFFOLKS

Est 1980

Reg No C46

The Kells flock was established in 1980, 41 years ago by my late father Edward Duffy. Since then females have been purchased from all of the top flocks in Ireland and across the UK including Limestone, Crewelands, Burnview, Forkins, Blackstown, Carony, Balquhain, Cairness, Benedyglen, Castleisle & Shannagh, Errigal, Convoy, Carragh, Clyda, Annakisha & Blackwater, Kilbeg, Beechbrook, Ballynacannon, Barrowlands, Deburca, Solwaybank, Claycrop, Finnvale, Ivybrook, Bridgeview and Kirriemuir. The continued addition of these new and exciting genetics allows us to offer for sale females of a very high standard. We believe this is an ideal opportunity for new and established breeders to replenish with some of the best and modern bloodlines in the breed today.

Viewing highly recommended!

This year we are happy to welcome Aaron Kealy Ivybrook Suffolks to our sale.

We have our best ever gimmers by Limestone T-Rex purchased in Shrewsbury for 5000gns. This will be the only sale where you will get the chance to purchase one of these females. Limestone T-Rex also bred Kells T-Rex, Blessington Supreme Champion 2020.

All in lamb ewes in this sale are served by Kells T-Rex Supreme Champion Blessington 2020 and Crewelands Frontline purchased in Lanark 2020 for 12000gns. Both these top sires have bred February and March lambs with Kells T-Rex lambs selling to 6000gns and Crewelands Frontline lambs selling to 2000gns. Really looking forward to their progeny in January 2022.

We also have big powerful ewe lambs in this sale bred by Birness Hustler, used by kind permission of Stephen Sufferin and his son Crewelands Giant who has grown into an outstanding sheep.

A great opportunity for new and established breeders to purchase an outstanding female for a reasonable price.

Many new breeders have established flocks from females purchased at this sale. The latest new breeder to purchase at our sale was Tommy Feeney, Co. Monaghan who tragically passed away in a farm accident. It is difficult to come to terms with his loss, he was a lovely, decent gentleman. We would like to extend our sympathies to his family. May he rest in peace.

The Kells Suffolk Flock maintains its position achieving top averages at the premier show and sales and sheep Ireland sales over the past decade.

It Is always a pleasure to see ewes purchased at our previous female sales breeding well for other breeders. An in-lamb gimmer purchased by Shannagh at our previous female sale in 2014 bought for €800gns, went on to breed a gimmer sold at the Black Beauties sale in Blessington for €3,300gns.

IVYBROOK SUFFOLKS

Ivybrook Suffolks was established in 2015 with ewes from the leading flocks at the time. Since then, we have continued to add females purchased across Ireland and UK from leading flocks with the best bloodlines available in the breed today. Females have been purchased for 6,000gns and 3,000gns twice from Limestone. Last year saw the addition of a 6,000gns gimmer from Shannagh. Other leading purchases came from Forkins, Burnview, Mullinvale, Barrowlands, Roundacre, Annakisha, Blackwater, Clyda, Carony, Cairness and Summerhill. Due to college and work commitments, we are offering females for sale which would otherwise be retained.
