## CARRAGH FOREWORD

The Carragh Flock was established in 1993 with the purchase of 8 ewe lambs from the Ballyturn flock. Over the years the flock has grown from strength to strength. Top quality stock has been purchased from top flocks in Ireland and Scotland, mainly Cairness, Muirensk, Strathisla, Solwaybank, Ewe Bank and Baileys flock. J53 X106 was purchased privately for €14,600 from the Strathisla flock, she was twice RHAS champion and was ET'd within the flock. FHT A58 was purchased from Solwaybank flock and went on to breed Carragh Unique, he won first prize in the novice class, first prize in the open ram lamb class and went on to win the reserve male champion at the national championship 2006. He was top prize ram lamb at the premium show and sale at Roscrea 2006 selling for €7,500. Carragh flock had top average that day.

The flock has enjoyed success in shows and sales, both local and countrywide. The Carragh flock was winner of the South of Ireland flock competition 2006 and 2007. Cairness Centra and Carragh Fusion were the winners of best stock rams in the same competition. The West of Ireland Club championships have been run for the last 11 years with the Carragh flock being Champion three times and Reserve three times.

2017 has been one of my best years getting Reserve Overall Champion Roscrea with Carragh Captivate sold for 2,800gns to Barrowlands and Coolamains Flock and Champion Female with HOL 173153 sold 950gns to the Master Flock.

Carragh Captivate won the Howrad Peel Cup for Best Stock Ram in the the Suffolk Sheep Society Flock Competition 2018.

## **KIRRIEMUIR FLOCK HISTORY**

**Garth Graham, Kirriemuir, Ballygawley, Co Sligo F91 E8P2  
087 7993682**

We are delighted to again be presenting our females at the sale for a fourth year. Thanks to Seamus for his work in organising this sale on an annual basis.

After having dealt with cross-bred Suffolks for many years, we decided to venture into pedigree Suffolks in 2012. With careful advice from some 'old hands', the flock was established with the purchase of some excellent females from great breeding lines such as Lakeview, Forkins, Shannagh, Burnview and Errigal.

Our stock rams have always been selected for length, carcass and good conformation - again from top genetics in Ireland and Scotland.

Our most recent purchase from the Lanark pen of Solwaybank was selected last year for his presence, size and conformation and four of this years gimmers are in lamb to Solwaybank Artful Dodger.

The last few years have seen strong sales of our rams to pedigree and commercial breeders.

We took a decision this year that all the flock ewes were to be naturally served and there has been no AI'ing or flushing at Kirriemuir.

Our Females for this All Stars Sale have never been pushed and previous purchasers of our in-lamb gimmers have had excellent lambing down success.

## **RECENT FLOCK ACHIEVEMENTS**

### **Solwaybank Artful Dodger (successfully genotyped)**

Super excited from day one when Dodger arrived in Ireland. He was selected from the Barbour's lead pen at Lanark and was purchased privately. He is a top son of Salopian Stradale, purchased for 24K gns and a super Solwaybank female line. He has a fantastic carcass with great skin and conformation. He was only used sparingly as a lamb last year but we have most of our ewes naturally in lamb to him this year.

### **Ballinatone Bobby Dazzler (successfully genotyped)**

Another private purchase, this is a 2nd Birness Freedom top ram lamb being used at Kirriemuir. He has grown really well with super skin, colours and confirmation. He was used successfully within the flock last year as main stock ram. We are really looking forward to his progeny in January.

### **Forkins Formula One (successfully genotyped)**

This super ram was picked out of the Forkins Pen at the Northern Ireland Premier Sale and is a top son out of 26K gns Birness Freedom and one of the best female lines in the Forkins flock. He has grown into a super hogget with great length and very tight skin. Heavily used across the Kirriemuir Flock for 2022 and we have retained most of his daughters within the flock.

# ELITE LAMB PELLETS

Pat O'Brien, Headford, Co, Galway farms 330 suffolk/mule cross ewes lambing in February and March and 40 spring calving suckler cows.

*"I find the Elite Lamb Pellets very good; lambs get onto it very quickly and intakes are very good but more importantly the weight gains and kill-outs are there to match it. We slaughtered our first batch of lambs as young as 10-11 weeks this year and they weighed 42-45kg and killed out over 50% dead weight. I'm very happy to date with this product and I certainly can't see us changing off it any time soon."*

Cheryl O'Brien runs both a pedigree and commercial flock of ewes in Springvale, Kildorrery, Co. Cork. The flock is a 50:50 split consisting of 60 pedigree Vendeen ewes and 60 commercial ewes mainly of Vendeen/Texel breeding.

*"I first started using Grennan's Elite Lamb Pellets in 2015. I'm using it ever since and I am very happy with the performance of my lambs. I find it very easy to transition from the creep to Elite Lamb Pellets as they are extremely palatable and the lambs really thrive. I will certainly continue to use this product as I find it gives good lamb performance and extremely good factory kill-out."*
