GLYDE FOREWORD

The Glyde flock is delighted to be part of the Black Beauties again this year with 5 gimmers and 2 ewe lambs forward for sale. We have enjoyed some successes over recent years and the ewes on offer here come from the strongest bloodlines in our flock.

Our much-admired 2024 show gimmer achieved the highest price of €6,000 at last year's Black Beauties having been successfully flushed and her embryo daughter won a very competitive Interbreed Championship at this year's Dundalk Show as a ewe lamb. She was later placed 2nd in her class at the All Ireland's in Athenry.

Our two ewe lambs entered in this sale are from the same family with their dam being our very successful show ewe by the £18,000 Forkins Impeccable and she has won Interbreeds and this year was placed 3rd in her class at the All Ireland's.

At Blessington 2024 our top ram lamb, Glyde Chicago, was Reserve Male Champion and we have his full sister and half sister forward for sale.

Our show gimmer this year won 6th place in the shearling ewe class at the All Ireland's and a number of other prizes at local shows. We are delighted to offer her for sale and she will be a valuable addition to any flock.

We wish to thank the Gahan, O'Keeffe & Wilson families for allowing our participation in this sale and their work in making it the success it is.

Wishing all the vendors every success with the sale.

GLYDE SERVICE SIRE

KILDUFF DREADNOT

Purchased privately off James Dunne during the summer. We immediately admired this ram for his power, presence and spark and he has the pedigree to match. Sired by the £10,000 Limestone Rizzler and by a £5,500 Bessiebell ewe. His sisters have sold for €4650 and €2400. We look forward to what he will deliver.

BONYGLEN SUFFOLKS

Bonyglen Suffolks established since 2013 with ewes purchased from some of the top flocks in Ireland and the UK. In more recent years some ewes purchased from the best breeding lines in the breed and the use off some high profile Rams have helped the flock go from strength to strength with sheep exported to Spain, Portugal, France and England in the past few years. Massive thanks to the Wilsons, the O Keeffes and the Gahan's for giving me the opportunity to take part in their Sale. I'd like to wish all buyers the best of luck with their purchases.

FLOCK HEALTH

All sale sheep are on the Heptavac p Programme
Lambs are genotyped and are ARR/ARR and eligible for export
Ewes were dosed for fluke 4 weeks prior to sale.
