MOLLOY SUFFOLKS

Est 2020

Reg No Xlt

Molloy Suffolks was officially established in 2020. The dream of breeding pedigree Suffolk sheep was born in 1990. The purchase of 10 pedigree in lamb ewes by my father as an alternative to rearing mountain sheep here in Glencolmcille Co Donegal would be the starting point of our love affair with the breed. Now myself with the help of my wife Alvyda and our three sons James, Mathew and Armandas are realising that dream of having a pedigree flock. Having purchased Males and Females from some of the top flocks across the country as the foundation of our flock. We believe we have put ourselves on a good footing going forward. I would like to take this opportunity to thank Eamonn Anne Marie and Thomas for letting us be part of this sale and for their invaluable help and guidance since establishing our flock. Looking forward to seeing you all on the day, John Alvyda James Mathew and Armandas Molloy.
