Kells Suffolks

Est 1980 Reg No C46

It's our great pleasure to welcome breeders and friends to our on- farm sale 2026.

This year's calalogue represents the culmination of a rigorous breeding program focused heavily of breed type, structural soundness, and exceptional growth rates. We have selected stock with excellent skins, powerful carcases, and clean breed characteristics that the Suffolk is renowned for. We place great emphasis on maternal traits alongside terminal ability, ensuring our females offer great longevity and milk.

Over the past 30 years to increase our genetics, we have purchased In lamb females from all over Northern Ireland, Southern Ireland, and the UK.

These in lamb gimmers and ewe lambs on offer today are sired by a range of sires including Champions and former Sire of the Year Kells T-Rex.

These sheep on offer today are an ideal investment for pedigree breeders.

Viewing opens from 12 midday with the sale commencing at 2pm. We look forward to welcoming you to the yard.

Molloy Suffolks

Est 2020 Reg No Xlt

Molloy Suffolks was officially established in 2020. The dream of breeding pedigree Suffolk sheep was born in 1990. The purchase of 10 pedigree in lamb ewes by my father as an alternative to rearing mountain sheep here in Glencolmcille Co Donegal would be the starting point of our love affair with the breed. Now myself with the help of my wife Alvyda and our three sons James, Mathew and Armandas are realising that dream of having a pedigree flock. Having purchased Males and Females from some of the top flocks across the country as the foundation of our flock. We believe we have put ourselves on a good footing going forward. I would like to take this opportunity to thank Eamonn Anne Marie and Thomas for letting us be part of this sale and for their invaluable help and guidance since establishing our flock. Looking forward to seeing you all on the day, John, Alvyda James Mathew and Armandas Molloy.
