RAILSTOWN SUFFOLKS

Railstown Suffolks was established in 2020 with the aim of building a flock based on the very best genetics available to us. From the outset, we have invested in top-quality females, together with semen from some of the breed's leading sires. That commitment has continued year after year, bringing in carefully selected females and bloodlines to strengthen and progress the Railstown flock.

We were delighted to see a gimmer sold from Railstown at last year's Black Beauties sale enjoy a very successful show season for the Shanavogue flock, winning her class and taking Suffolk Champion and Interbreed Champion at Midleton Show, winning her class and Reserve Suffolk Champion at Athlone Show, and placing second in her class at Clonmel Show.

We would also like to sincerely thank the O'Keeffe, Gahan and Wilson families for giving Railstown Suffolks the opportunity to participate in their sales. Finally, we wish fellow breeders every success and all customers the very best of luck with their new purchases.

Barrowlands Flock Foreword

The Barrowlands Flock was established in 1994 with the purchase of ewes from long established Irish Flocks. Subsequent purchases of females from dispersal and production sales saw the addition of top-quality bloodlines from at home and the UK. This along with the use of top sires through AI and purchased rams has led to us achieving successes at shows and sales. We are offering in this sale some smashing Ewe Lambs with excellent bloodlines who would make a great addition to a new or existing flock.

We would like to take this opportunity to thank everyone who supported us in previous sales and hope you were pleased with your purchase.

Sheep can be viewed prior to sale by contacting Jim Gahan on 087-6356808.

Every effort will be made to assist purchasers with the transport of sheep.

All sheep are on the Heptavac-P System.

All sheep dipped and dosed prior to sale.

Scrapie Genotype ARR/ARR-Parentage Verified on Sheep Ireland

All sheep are vaccinated for Bluetongue

All sheep offered for sale are Eligible for Export
