ONLINE BIDDING VIA MARTEYE

MILO SUFFOLKS

As I put pen to paper, I am going through a range of different emotions. Today marks the end of a journey with fantastic memories. My flock was founded six years ago. My first purchase was from S & W Tait's Burnview flock. I bought the sheep for her correctness, style and power. I didn't buy any sheep on figures! In 2023, I won the West of Ireland Registered Pedigree Suffolk Sheep Breeders Club Championships with a hogget ewe. That same day, a ewe (LOT 54) won the Aged Ewe Class. These sheep have been placed in the top six of their class in the All Ireland Championships and have top bloodlines behind them.

I just want to wish my fellow breeders & friends all the best in the future and thank you all for everything you have done for me over the years. A big thanks, and best of luck in the sale today , Kevin, Andrew & Eoin, for all the work and effort you have put into today's sale.

To Alison, the biggest Thank you. From the first day to the last, you always helped and guided me and the breed is very lucky to have you. My family - my wife Karl, a constant rock to me and who always appreciated the farming demands. To my girls Isla & Ria, I hope in time that both of you will look back on your childhood and remember the great days AND NIGHTS! And the pedigree sheep that you were so fond of.

To my parents Joe & Yvonne, for all the help and support you both have given me in my years farming.

Best of luck to all the people who purchase the sheep today. I hope they give you as much good memories as they have given me.

MILO SUFFOLKS (IAP) - FLOCK HEALTH

All sheep are vaccinated with Enzovax and Toxovax and have been mineral drenched in the past eight weeks.

They are on the Heptavac P program but will need their annual booster pre lambing. All Pedigree Sheep are ARR/ARR.

SUMMERHILL FLOCK (NBX)

The Summerhill flock was established in 2005, with purchases from the Coshla, Windfield and Burnview flocks and In later years the Limestone flock with the emphasis on confirmation, good skins and carcass. The flock consists of a small number of ewes with the emphasis being on quality and not quantity.

Over the years we have used some of the top service sires including Strathbogie A Kind of Magic, Stratbogie Jackpot, Lakeview No Limits, Shannagh All-Star, Howgillfoot Batman and Limestone Birra Moretti whose breeding are still in the flock today.

Highlights include winning at club championships and club premier sales, being particularly proud to win at our club premier sale with a ewe lamb being awarded supreme overall champion the first ewe lamb to do so and selling for a record price for a ewe lamb in 2022.

The Summerhill flock is fluke and worm dosed and is on the Heptavac P program. Finally we would like to wish all fellow vendors and purchasers all the joy and success we have enjoyed breeding Suffolk sheep.

REDROCK FLOCK - CHAROLLAIS

Established with the aim of breeding Charollais sheep combining tight wool, excellent carcass weight and outstanding presence in the show ring, Redrock Flock has developed into a recognised name within the breed, achieving considerable success both in the show ring and at premier sales throughout Ireland.

The 2026 season proved another highly successful year for Redrock Flock. At the Charollais Premier Sale, the flock secured first prize in the Hogget Ewe Class, with the ewe subsequently going on to be named Female Champion and Overall Reserve Champion. She also achieved the top female price of the day at 2,000gns. Earlier in the year, a Redrock female topped the online sale, selling for 1,210gns to Michael Fitzgerald, with her full sister featuring in the sale today.

At Roscommon Sale, a Redrock hogget ram sold for 1,500gns, while a Redrock ewe bred a lamb which achieved the overall top price of the day at €2,150 for Thomas McCormack, selling to leading breeder Sinead Brophy. The flock also enjoyed an excellent Big Boys Sale, where eight hogget rams sold to an average of 980gns. Further success followed at Tullamore Show, where a Redrock Charolais was awarded Overall Champion. This outstanding ram, Baile Nua, has since served as a stock sire to many of the ewes represented in today's sale. The flock also enjoyed numerous interbreed championship successes throughout the year.

2025 brought further outstanding achievements. Redrock Flock won the FBD Multi-Breed Five-Star Class at Athenry and secured second prize in the All-Ireland Ram Lamb Class. The ram subsequently sold for €4,200 to the Crawford Brothers, achieving the highest price for a ram lamb in Ireland that year. Further success followed with victory in the All-Ireland Ewe Lamb Class and second prize with the Group of Three. At the 2025 Charolais Premier Sale, a Redrock female achieved the top female price of 1,500gns.

Pictured above: Andrew Gilmore with his All-Ireland Winning Ewe Lamb 2025

At the 2024 Premier Sale in Blessington, Redrock secured victory in the Hogget Ewe Class, with the winning ewe also achieving the top female price of the day at €1,200, selling to Thomas McCormack.

The flock has consistently enjoyed success at the Charollais Premier Sale over the years. In 2023, Redrock achieved first prize in the Hogget Ewe Class and went on to claim Overall Female Champion. This followed first prize in the Hogget Ewe Class in 2022 and second prize in the Hogget Ram Class in 2019.

Other notable sale achievements include securing the top price for a Hogget Ewe at €1,700, alongside placing fourth in a highly competitive class of 90 Ram Lambs, with the ram subsequently sold for pedigree breeding. In 2020, an outstanding Redrock ewe lamb sold for €900 at the Premier Sale. Her dam later achieved an impressive 1,340gns, topping the female section at the annual in-lamb Charollais Ewe Sale in Cootehill Mart.

Redrock rams have been sold to both pedigree and commercial flocks throughout Ireland, with the flock's genetics continuing to make their mark. One particularly notable sale was Redrock Merchant Paddy, a ram of exceptional style and presence, which was sold privately to the renowned B3 Ballyhibben Flock.

The flock was originally established with its foundation ewes purchased from Jerry Traynor's flock in Dundalk. Since then, Redrock Flock has expanded through the introduction of quality breeding stock from established flocks both north and south of the border. Over the years, Redrock sheep have consistently performed successfully in the show ring, claiming numerous championships at some of the country's leading agricultural shows.

The annual Big Boys Sale has also become a key feature of the Redrock calendar, providing an opportunity to offer quality breeding stock to both pedigree and commercial breeders.

Owned and managed by Andrew Gilmore, Redrock Flock remains committed to breeding Charollais sheep with style, quality, performance and strong commercial attributes. On-farm sales and private viewings continue to play an important role in the flock, and Andrew is always delighted to welcome prospective purchasers and fellow breeders to the farm to view the stock.

Andrew Gilmore would like to thank all customers and supporters for their continued interest and support over the years.

IE044469402051C – BAILE NUA – D7523015

Baile Nua was purchased at Tullow Regional Sale, where he was awarded Reserve Champion on the day. Since joining Redrock Flock, he has enjoyed considerable success in the show ring, claiming numerous shows and interbreed championships at agricultural shows throughout the country.

His most notable achievement to date came at the 2026 Tullamore Show, where he secured First Prize in the Senior Ram Class before going on to be crowned Overall Charolais Champion.
His progeny has also made a significant impression in the sale ring, consistently attracting strong demand and commanding top prices at several leading sales.

Baile Nua was selected for his exceptional power, correctness and tight skin, qualities which he continues to pass on to his progeny. He has proven himself an outstanding stock ram and an important addition to the Redrock breeding programme.

DECLAN & EOIN O CONNOR - CURABANE FLOCK K14

The Curabane Flock was established in 2020 with the aim of producing Charollais sheep with power, bone, gold carcasses good skins & females with lots of milk.

Most influential sires to date include Island Stephen, Killina Arthur & Bollinaspect Aviator & Curabane Dunton. We have also purchased females throughout the years from several flocks with the most influential females coming from the Tullyear, Redrock & Seefin flock with several daughters & granddaughters from these females available in the sale.

Some of our highlights include Female Champion with an ewe lamb in the ICSS Female sale in Tullamore in 2021 & Topping 3 of 4 regional sales we showed at in 2025. In our first year showing at the premier in 2025 we topped at €1700 for Curabane Damon, Other notable achievements include selling lambs to many top pedigree flocks through the years including Curabane Dakari to the A91 Liscullane Flock
F
emales are on Heptavac – P system and are due a booster in early December, all females are Bluetongue Vaccinated & Ewe lambs were all shorn on the 1st of September. Viewing Welcome before sale!!

Best of luck to any potential Customers

Curabane Dunton (Pictured Above) Sire to majority of ewe lambs, Son of Bollinaspect Aviator & a daughter of our great Seefin ewe, best lamb in 2025 used before selling & has been used by kind permission this year since we were so impressed with his progeny.

SUMMERHILL SUFFOLKS - KILMACOO EXPLORER - (UTX2600293)

MILO SUFFOLKS - BALLINATONE DARK THUNDER - (TDL2503378)

LIMESTONE BIRRA MORETTI - (KPC2302348)

He is a full brother to Sire of the Year 2024, Limestone Online, a highly acclaimed sire renowned for breeding progeny that have commanded prices up to £40,000.

He has a superb back pedigree – his sire Castleisle A Kingsman was purchased for €33K while his dam's side goes back to the great Limestone Aston Martin who was purchased for €40K after winning the Scottish National Premier show in 2019 and who also achieved Sire of the Year 2019.

CARRAGH TIMELESS - (HOL1903451)

A full brother to Carragh Captivate - Reserve Champion at SOI Premier Show in 2014. A great Breeding Ram.

FEARMOR EUROSTAR - (UXD2602233)

A lamb with a super carcass and tight skin going back to the great Crewelands Frontline on the Sire's side and Lakeview Harbinger on the Dam's side.

€uroStar Evaluation Explanation Page

Important: Information in this catalogue is provided for or by the breeder, who is solely responsible for its accuracy—not Sheep Ireland

Evaluations should not be the only selection tool you use—animals must also be physically assessed (e.g. mouth, feet). Physical faults cannot be offset by strong evaluations and should be avoided in breeding..
See below how to interpret the €uroStar catalogue.

€uroStars – How to interpret them

- Each star represents where the animal ranks on each index in 20% bounds
- ★ Represents the **bottom 20%** of the breed for that trait
- ★★★★★ represents the **top 20%** of the breed for that trait
- Higher stars = Higher predicted profitability €

☆☆☆☆☆

Animals that only have the outline of a star represent animals that have within flock evaluations, this means the star rating of these animals cannot be compared to any other animals from a different flock.

Rank

- This figure shows where an animal ranks within its breed in 20% bands—for example, “Top 20%” corresponds to five stars, while “Top 21%” corresponds to four stars (see example below

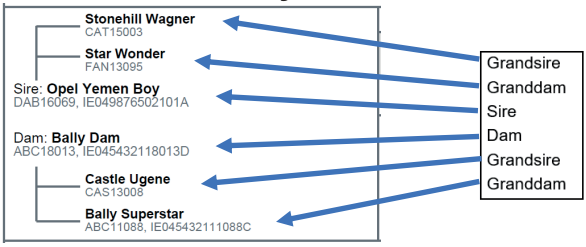

Acc% (Accuracy%)

- Accuracy indicates the amount of data behind each evaluation. Where Acc% is low, much less emphasis should be placed on the evaluation, and vice versa. Acc% is displayed for the Replacement and Terminal Index, e.g. Acc 87%

www.sheep.ie

Ancestry Information

Interpreting the Indexes and Traits

1) Replacement (€3.44) – Used to select rams for breeding both replacement females and slaughter lambs; This index combines survival, growth, fertility and milk traits. € value reflects **profit per lamb**, comparable across breeds.

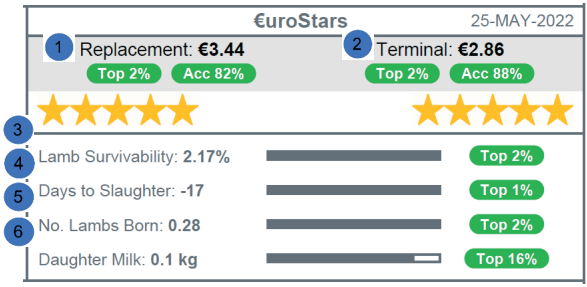

2) Terminal (€2.86) – Used to select rams for producing slaughter lambs; focuses mainly on survival and growth traits of progeny. € value reflects **profit per lamb**, comparable across breeds.

3) Lamb Survivability – Ranks animals based on lambing ease and lamb survival rate. Every positive % point on this index is an extra lamb surviving past 48hrs.

4) Days to Slaughter – Ranks animals on their genetic ability to grow. Fewer days indicates faster finishing to target weight.

5) No. of Lambs Born – Ranks animals based on the predicted prolificacy of the females from this animal compared with other animals of the same breed.

6) Daughters Milk – Ranks animals based on the predicted milking performance of their daughters compared with other animals of the same breed.

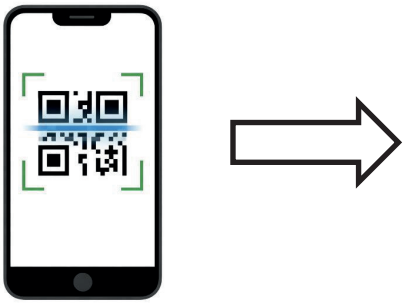

More info:

Visit **www.sheep.ie** for the latest news and information, or **ramsearch.ie** for up-to-date evaluations; search for rams by county, breed, and breeder.
